NETWORKING ON & OFF THE REEF

NEW YORK ATHLETIC CLUB

John and I were delighted to initiate the reciprocal between the New York Athletic Club and Ocean Reef Club as part of Ocean Reef's Affiliate Program. Ocean Reef Club and the New York Athletic Club, with its 9000 members, are two of the finest clubs in the world. Both are totally debt free. This fall John and I, along with the New York Athletic Club and Ocean Reef Club, are hosting an invitation only reception at the New York Athletic Club. We also hosted hundreds of New York Athletic Club members at Ocean Reef. I am proud to have represented many of our friends, who are prominent members at the New York Athletic Club, in the purchase of properties at Ocean Reef. We will also be advertising my listings in the Winged Foot magazine throughout the coming season.

MONTHLY EMAIL NEWSLETTER

Each month I send out a newsletter that reaches all Ocean Reef members including Equity Members, Social Members and Legacy Members. Additionally, we reach our entire network from Legend's Invitational, FINE Wine Society and the New York Athletic Club.

My newsletters always link to great media including professionally produced videos on my website.
