Mary has been a member of Ocean Reef for over thirty-five years. Mary's daughters, Anna and Katie attended The Academy. Both chose to be married at Ocean Reef where friends and family joined in celebration at wonderful Dom Pérignon receptions that included special vintage offerings from our great friends at Dom Pérignon.

John and Mary count their blessings every day. They are "Angels of Ocean Reef," one of the founding families of The Academy at Ocean Reef. They have raised over \$2,500,000 to support the Ocean Reef Community Foundation, The Academy, the Medical Center, the Culinary Center, and ORCAT. Mary is also a major contributor of the Dog Park.

“I feel it is a privilege to be able to represent our friends, Ocean Reef members and their friends and families, fulfilling their dreams of living at Ocean Reef. I welcome the opportunity to help with your real estate needs.”

PREVIOUS EVENTS

Decoding Dom Pérignon

Dom Pérignon’s Chef de Cave (from 1990-2018), Richard Geoffroy, partnered with world-famous chef, Ferran Adrià to create recipes that pair perfectly with Dom Pérignon. Ocean Reef’s Executive Director of Culinary Operations, Philippe Reynaud, was the first chef to prepare all of these recipes to the delight of the guests at the invitation-only “Decoding Dom Pérignon” event, hosted by John and Mary Lee and held at The Cooking School at Carysfort Kitchen in Ocean Reef.

The Finest Wines Dinner at Ocean Reef Club

The FINE Wine Dinner that we donated at Ocean Reef Club with John & Mary is one of my warmest tasting memories, especially the moment when we opened over 100-year-old shipwreck champagne – 1907 Heidsieck & Co Goût Américain.

Century Tasting 1900-1999

This three-day event is perhaps the most wanted tasting in the world.

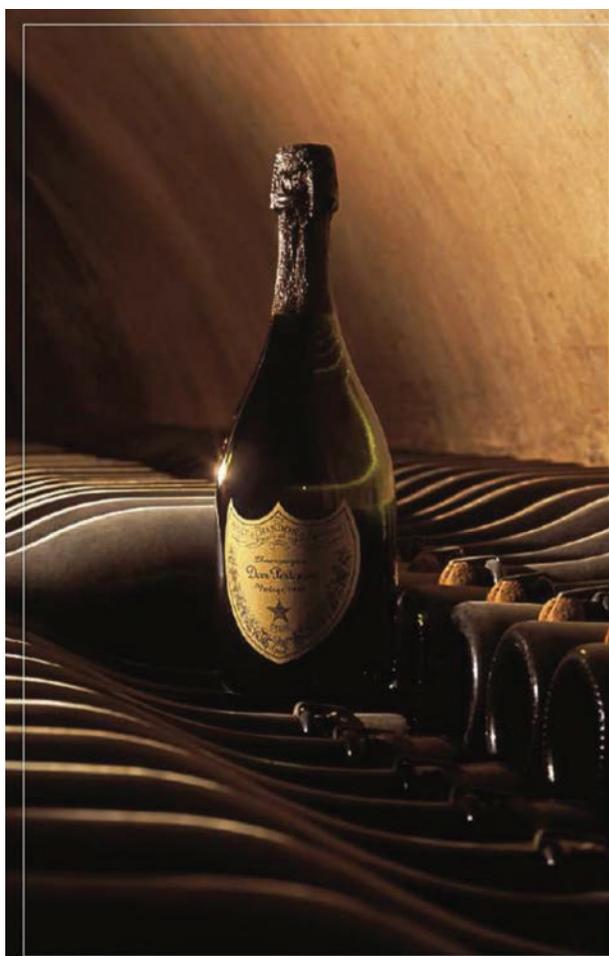

During the warm Finnish weekend, the group of 18 people from all around the world, also includes some of the best wine critics, tasted at least 100 best wines from different subjects together with the most famous Finnish opera singers and musicians. This year’s tasting was perhaps the best one so far – we tasted all the greatest wines from the 1980’s decade, perhaps around 150 wines.
